

~~183~~

-
- A black and white line drawing of a single-story house. The house features a gabled roof with a central chimney and several dormer windows. A prominent portico with four columns covers the front entrance. The house has multiple windows, some with shutters, and a large multi-paned window. It is surrounded by a lawn, trees, and a low fence in the foreground. The sky is simple with a few clouds.

FALL 1958 + 1959
~~FALL 1955 & 1956~~

We take pride in offering to you a complete catalog of our acclimated nursery stock.

It is our belief that this is the most complete list for the Mid-South obtainable. We are also offering the lowest prices possible and still maintain our high standard of quality, grade and performance so as to meet your approval and merit your continued patronage.

We maintain a complete Landscape Department staffed by competent Landscape Architectural Specialists . . .

WALKER NURSERIES LOCATIONS

Our Nurseries consist of over 80 acres growing in Evergreens, Trees, Shrubs, Plants, Bulbs, Etc. Location of Principal Fields; go out White Station Road to big curve and turn east on Mason Road and follow our signs to Nursery, which is about two miles north of White Station.

Sales Grounds and Offices
4860 Poplar Avenue at White Station
Address: White Station P. O. Box 3307
Memphis 17, Tennessee

Branch Sales Grounds
2450 Lamar Avenue
